Use icons to identify the multiple uses of each product:

"See what you're missing"

- ✓ ECO friendly, non-toxic
- ✓ long lasting gel formula
- ✓ use one "BB" size drop
- ✓ natural & hypoallergenic
- ✓ works on glass & plastic
- ✓ available in multiple sizes

spit antifog (product 1795)

"spit" is the most recognized name in anti-fog. **spit gel** is ECO friendly, made with natural ingredients & safe to use on any surface. Use **spit gel** on anything that fogs, including dive masks, paintball masks, sport goggles, safety goggles, ski goggles, eye wear, windows, binoculars, scopes & more. Apply wet or dry - **spit gel** is so thick it can even be applied under water! Just one tiny drop works all day!

CAUTION: **spit gel** is not recommended for swim goggle use. For swim goggles use **Quick spit spray**.

"The spray that works!"

- ✓ ECO friendly, non-toxic
- ✓ convenient spray formula
- ✓ natural & hypoallergenic
- ✓ works on glass & plastic
- ✓ available in multiple sizes

Quickspit antifog (product 1796)

Now the most recognized name in anti-fog comes in a spray! **Quick spit** is made from the same ingredient base as spit gel, giving you the high performance of a gel in a convenient, simple to use spray! **Quick spit** spray works on anything that fogs, including dive masks, swim goggles, paintball masks, sport goggles, safety goggles, ski goggles, eye wear, windows, binoculars, scopes & more. Apply wet or dry - Over 200 pumps per bottle! **Quick spit** can be packaged with **JAWScloth** (item #1788-96).

"CLIP it or forget it!"

- ✓ ECO friendly, reusable
- ✓ fits JAWS 1oz. bottles
- ✓ push it on, CLIP & go!
- ✓ 6 colors to choose from

spitCLIP retainer (product 1794)

spitCLIP retainer lets you hang any JAWS 1 ounce bottle from virtually anything. Just push it on, "CLIP" & go! Hang from BC "D" rings, equipment & gear bags, backpacks, boats, inflatables, kayaks & more. The large clip allows easy operation, even with gloves. **spitCLIP** keeps your anti-fog close when you need it most. Never search for your anti-fog again!

"Don't just see... SEE Safe!"

- ✓ ECO friendly, 2-in-1 formula
- ✓ long lasting, easy to use
- ✓ 400+ pumps per bottle
- ✓ natural & biodegradable
- ✓ works on glass & plastic
- ✓ available in multiple sizes

SEE Safe 2-in-1 anti-fog & cleaner (product 1789)

SEE Safe is a 2-in-1 industrial strength anti-fog & lens cleaning solution that is easy to apply & safe to use on any surface. Use SEE Safe on eye wear, safety goggles, safety glasses, face shields, sport goggles, paintball masks, scopes, binoculars, dive masks, swim goggles & more! SEE Safe comes in a 2 ounce size with over 400 pumps! For dry applications, use our JAWScloth microfiber buffing cloth to achieve the best results & avoid scratching -OR- just add water to turn SEE Safe into a cleaner. You can also purchase SEE Safe packaged with JAWScloth (item #1788-89).

"Spotless, speckless, streak-free"

- ✓ ECO friendly, reusable
- ✓ machine or hand wash
- ✓ safe on glass & plastic
- ✓ handy storage pouch

JAWScloth microfiber cloth (product 1788)

JAWScloth is an ECO friendly, nonabrasive cloth that gives your glass or plastic lens the "3-S treatment"... spotless, speckless & streak-free! This tightly woven microfiber cloth looks & feels like silk & is reusable - Just throw it in the wash or hand wash when needed. JAWScloth is 7"x 7" - packaged in an "envelope style" reusable storage pouch. Use JAWScloth with our SEEsafe & Quick spit antifog products to properly clean & buff your lens. JAWScloth works great on eye wear, safety goggles, safety glasses, face shields, sport goggles, scopes, binoculars, windows, mirrors, stainless steel & more! JAWScloth can be packaged with SEE Safe or Quick spit (item# 1788-89 -OR- 1788-96).

"Just squirt, scrub & rinse!"

- ✓ ECO friendly, non-toxic
- ✓ scours off mask lens coatings
- ✓ cleans mask skirts & slates
- ✓ natural & biodegradable
- ✓ alcohol & bleach free

scrub mask & slate cleaner (product 1797)

scrub mask & slate cleaner is an ECO friendly, natural solution for cleaning masks & slates. scrub is an effective, mild abrasive solution that deep cleans without scratching glass or most plastic surfaces. Due to stubborn product coating, scuba & snorkeling masks require a thorough lens cleaning in order for anti-fog to work properly. Use scrub to remove lens coatings & clean residue from your mask lens & skirt between dives. Also use scrub to remove grease pencil & pencil marks from plastic slates. scrub is not intended for use on plastic lenses.

"Clean it - neutralize it - preserve it"

- ✓ works on all water sports wear
- ✓ ECO friendly, hypoallergenic
- ✓ neutralizes harsh pool chemicals
- ✓ removes odors, chlorine & salt
- ✓ non-comedogenic, safe on skin
- ✓ available in multiple sizes

Aquasuds aqua wear shampoo (product 1800)

Aquasuds fresh scent & unique blend of natural ingredients neutralize harsh pool chemicals while removing chlorine, salt, odors & organic residue. Special disinfectant & conditioning agents sanitize, preserve & extend the life of your water sports wear. Aquasuds is biodegradable, non-comedogenic & safe on skin - made from ingredients so pure it can double as a shampoo & body wash! Use Aquasuds on all your aqua wear including swimsuits, rash guards, tri-suits, wetsuits, drysuits, water ski wear, pool toys, marine wear, scuba & snorkeling equipment. You can also use Aquasuds for hiking & snow ski wear, clothing & as a general cleaner.

"Don't just wash it... slosh it!"

- ✓ works on all water sports wear
- ✓ ECO friendly, hypoallergenic
- ✓ fresh scent & biodegradable
- ✓ special conditioning agents
- ✓ removes odors, chlorine & salt
- ✓ available in multiple sizes

slosh wetsuit shampoo (product 1798)

slosh wetsuit shampoo contains no harmful chemicals. Its fresh scent & unique blend of natural ingredients remove chlorine, salt, odors & organic residue while special disinfectant & conditioning agents sanitize, preserve & extend your equipments life. slosh is biodegradable, non-comedogenic & safe on skin - made from ingredients so pure it can double as shampoo & body wash! Use slosh on wetsuits & drysuits, scuba & snorkeling equipment, hiking & marine wear, snow & water ski wear, swim wear & pool toys. slosh can also be used on clothing, delicate sweaters & as a general cleaner. slosh is safe to use on skin & hair.

"Squirt, shake, rinse and go!"

- ✓ internal bladders & containers
- ✓ ECO friendly, hypoallergenic
- ✓ treats odors, algae & bacteria
- ✓ just squirt, shake, rinse & go!
- ✓ available in multiple sizes

sloshLFC Low Foam Cleaner (product 1799)

sloshLFC (Low Foam Cleaner) contains no harmful chemicals. Its fresh scent & unique blend of natural ingredients remove salt, odors, chlorine, organic residue, mold, algae & bacteria. Its low foaming properties & special disinfectants make sloshLFC the perfect cleaning solution for products with internal, hard-to-reach areas. Use sloshLFC on BC bladders & hoses, water bladders & hoses, water bottles & more. sloshLFC can also be used on clothing, sports wear & as a general cleaning booster when combined with regular slosh or Aquasuds.

"It gets the REEK out of reeky!"

- ✓ ECO friendly, hypoallergenic
- ✓ non-toxic, safe on any surface
- ✓ eliminates all 3 phases of odor
- ✓ exceptional as a pre-wash
- ✓ available in multiple sizes

REEK Away odorless odor eliminator (product 1801)

REEK Away odorless odor eliminator is scientifically designed to eliminate all three phases of odor instead of simply masking the smell with perfume or fragrance. REEK Away is odorless, colorless & stain free - safe to use on any surface including skin & pets! Its probiotic formula biologically destroys odors at their source for permanent odor elimination. Use REEK Away on water sports & sports wear, neoprene & lycra, hiking & hunting gear, work clothes, shoes, helmets, hats, bags, auto interiors, home, pets & more! REEK Away eliminates odors caused by perspiration, urine, algae, plankton, fish, animals (including skunk), vomit, feces, garbage, gas, smoke or anything that reeks! Also use REEK Away as a pre-wash for exceptional results!

"It's the silicone with a conscience"

- ✓ ECO friendly, non-toxic formula
- ✓ lubricate, protect & revitalize
- ✓ cosmetic grade, safe on skin
- ✓ high viscosity, water repellent
- ✓ available in multiple sizes

ECOguard Silicone Spray & Concentrate (product 1791)

ECOguard Silicone Spray & Concentrate are ECO friendly solutions made with cosmetic grade, pure silicone. This skin safe formula provides maximum lubrication, protection & revitalization with minimum impact on the environment. Use ECOguard on all water sports equipment, neoprene, latex, rubber, metal & plastic. ECOguard eases wet & dry suit entry, preserves seals, lubricates moving parts & protects against corrosion & oxidation. ECOguard will also protect leather & vinyl. To revitalize & preserve wetsuits, drysuits & lycra products, combine ECOguard Silicone Concentrate with slosh or Aquasuds (add 1/2 oz. ECOguard concentrate per 1 gal. (4 liters) water).

"When you keep it, keep it comfy!"

- ✓ fits any size snorkel
- ✓ tear proof material
- ✓ will not tangle hair
- ✓ soft & comfortable
- ✓ 6 colors to choose from

NEOkeeper snorkel retainer (product 1792)

NEOkeeper snorkel retainer is designed to fit any size snorkel. Made from 5mm high quality neoprene, the NEOkeeper is virtually tear proof, tangle proof & more comfortable than other snorkel keeper designs. It will also slide into the JAWS NEOsplit snorkel clip holder (below) for a super secure attachment to your mask. The perfect keeper to accent your snorkeling equipment or to keep in your save-a-dive kit so you'll always have a spare. Available in 6 colors (Black/Red; Navy Blue/Royal Blue; Aqua/Pink).

"When it splits... it fits!"

- ✓ fits any mask size
- ✓ split style for security
- ✓ will not tangle hair
- ✓ great for ponytails
- ✓ 6 colors to choose from

NEOsplit mask strap (product 1793)

NEOsplit mask strap is designed to fit any mask with a removable strap. Its neoprene material, split design, integrated snorkel clip holder & non-slip buckle make the NEOsplit mask strap the most comfortable, flexible & secure neoprene mask strap available! Will not tangle your hair & the split design allows space for pony tails. Available in 6 colors (Black/Red; Navy Blue/Royal Blue; Aqua/Pink).

snorkel clip holder

"It's the small-big bag"

- ✓ large size 28" x 13"
- ✓ stow away size 7" x 7"
- ✓ internal mask bag
- ✓ mask-on-top design

stowit mesh bag - with "mask-on-top" design (product 1790)

stowit mesh bag is a simple, yet cleverly designed bag. It's large enough to carry your equipment for a day of adventure yet small enough to "stowit" anywhere. The attached mask bag is uniquely positioned inside to protect your mask & goggles by keeping them "on-top" at all times. stowit can be rolled up inside its mask bag for easy & convenient stowage. Made of rugged nylon mesh, stowit allows equipment to be rinsed or dunked without removing.

Large Size 13 x 28 • Attached Mask Bag • Easily Stows Away

What our customers are saying...

"Our divers love your products and we appreciate your quick response to their needs and our orders. You have great customer service!" *Waterdogs Scuba & Safety / Cecil Stout*

"We really enjoy having products that sell themselves. Thank you JAWS!" *GR8 Diving / Vicki Ruiz*

"Great product! Easy on the eyes and holds up well during a dive. If you want a product that is compatible with non-glass lenses and easy to apply, Quick spit is it!" *High Plains Scuba Center / Jim Schultz*

"We have used various anti-fogs in our dive shop over the years, but nothing lasts as long as Quick spit. Best of all it's made in the USA!" *Treasure Cove Divers / Robert Hartman*

"Spit is a great product liked very much for its ease to apply and it doesn't sting my client's and instructor's eyes. I also like that you can apply it under water!" *Dive California / Michael Timm*
